*Monthly charge shown is per phone covered by the applicable Phone System Maintenance Plan above. Phone System Maintenance Plan does not cover damage caused by abuse, neglect, security configuration, or Acts of God, issues with routers, modems, patch panels, hardware and software maintenance for the telephone system (PBX System), or external devices connected to the PBX System (except registered handsets). All plans include one (1) hour of labor to be applied to On-Premise Visits. Additional labor will be charged the standard rate. Unused remote service requests, on-premise visits and labor does not roll over month to month. Handsets eligible for replacement will be replaced with a refurbished handset of an equivalent model. The NTS Phone System Maintenance Plan (PSMP) is not available in all areas, please contact NTS for details. Monthly offer rates subject to applicable surcharges, fees, and taxes. Installation, taxes, fees, equipment, additional services or features are not included. Not valid with any other offer and may not be transferred or redeemed for cash. PSMP is available to new or existing NTS Toshiba Phone System customers with an eligible phone system and provides replacement handsets for qualifying PBX Systems in addition to free truck rolls, remote requests and discounted labor charges. Benefits under the Plan vary depending on the level of subscribed service. Eligibility will be determined based on the information provided by the customer and with an on-site evaluation to be performed by an NTS representative to ensure the PBX System and all covered devices are functioning properly. PSMP pricing will vary based on term of commitment. Monthly rate does not include taxes or fees, and is subject to applicable surcharges, franchise fees and other government imposed charges. Subject to credit check and may require a deposit. Not valid with any other offer and may not be transferred or redeemed for cash. Other restrictions may apply. © 2017 NTS Communications, Inc.
